

Understanding (Social) Justice

Part 1 in a Series on Justice

1. Concerning what matter have you heard the need for justice recently? _____
2. What do you think about "social justice"? (Positive/Negative/Indifferent/Undecided)
3. Justice refers to what is rightly owed to a person or group. Justice is done when a person receives their due (whether punishment, care, provision, or protection). (Agree/Disagree)
4. Social justice is concerned about _____. However, to have this equality we must treat some people differently.
5. List one verse that teaches us not to show partiality to the rich or the poor: _____
6. Black Lives Matter and our own criminal justice system seek to end systemic racism by treating people differently (showing partiality) based on the color of their skin. (Yes/No)
7. List two verses that condemn partiality as sinful: _____
8. One reason why "social justice" today is wrong is because it promotes _____
9. Christians should not get involved in matters of justice because it takes us away from our mission. (Yes/No)
10. List the four things we must keep in mind when we think of true justice:
 - i. Justice and _____ are inseparable.
 - ii. Justice and _____ are inseparable.
 - iii. Justice and _____ are inseparable.
 - iv. Justice and _____ are inseparable.
