

# God's Work of Forming and Filling (Part 2)

## Sermon Questions

1. God's work of forming the earth was making a place suitable for life and to display his glory (Yes/No)
2. God's work of filling the earth is his populating the sea, air, and land with creatures to display his glory. (Yes/No)
3. A \_\_\_\_\_ can migrate as far as 16,000 kilometers in open ocean, navigating using the earth's magnetic field that it can read in its head like a compass.
4. A Bar-Tailed Godwit flew non-stop from \_\_\_\_\_ to \_\_\_\_\_.
5. Design features common to different kinds of animals are evidence for a common \_\_\_\_\_ not common \_\_\_\_\_.
6. Charles Darwin believed that the cell was a simple blob of protoplasm (like jello), but in reality it is an engineering marvel more advanced than anything humans have created. (Yes/No)
7. Everyone has a natural intuition that life and the cell are \_\_\_\_\_.
8. We know something is designed if:
  - a. If it cannot happen by \_\_\_\_\_.
  - b. If it has \_\_\_\_\_ complexity.
  - c. If it has specified \_\_\_\_\_.
  - d. If it is irreducibly \_\_\_\_\_.
9. Living creatures show the \_\_\_\_\_ of \_\_\_\_\_.
10. In sin, we reject God's \_\_\_\_\_ and worship the \_\_\_\_\_ rather than the Creator.
11. "Cosmic authority" is not a \_\_\_\_\_, he is our \_\_\_\_\_.
